SPORTS UPDATES

Kenny Gerig, Athletic Director

Our track team finished their season in top form at the OSAA State Championships at Hayward Field in Eugene on May 25-26. Daisy Lalonde was a repeat state champion in the 3000m and also won the state title in the 1500m. Aidan Morgan repeated as the state champ in the 110m high hurdles. Kaleo Wellman won state titles in both the long jump and triple jump. With his final triple jump he broke the East Linn record with a jump of 44' 8.5" The boys team came into the State meet seeded third, but with some better than expected results from several athletes were able to come home the the 1st place trophy.

High school sports activities are continuing through the summer with basketball currently in the middle of their June season. Volleyball had their first open gym on June 14 with 19 girls participating in the first practice. Soccer will be starting open field practices on Tuesdays and Thursdays beginning June 15. If you need information on any of these activities, let me know and I will add you to the game changer app for the sport of your choice.

For the elementary and middle school students, there will be some camp opportunities coming up. There will be a K-3rd grade volleyball camp on July 10-12 from 9:00-11:30 and a 4th-8th grade volleyball camp on July 10-14 from 12:00-4:00. Register by

July 1 to get a shirt. There will also be a softball camp for 3rd-8th grades on July 31-August 2 from 9:00-12:00 at Christopher Columbus Park. Register by July 16 to get a shirt. There will also be a soccer camp later in the summer. Details will be sent later.

Summer Reading from the Apostle John

Sometime between 80 and 96 AD the final five books of the canon of Holy Scripture to be penned were completed. It was very near the close of the first century and each of the books were written by the same author. The author referred to himself as “the disciple whom Jesus loved” (John 21:20-24) and had been rumored decades earlier to be the one disciple who might never die. John likely died in exile on the Island of Patmos sometime around 100AD but had already outlived every other Apostle by nearly 20 years. He was the only one who reportedly was not martyred for the faith. His books are easily recognizable:

(One Gospel, three epistles, and one prophetic book of apocalyptic nature)

- The Gospel of John (the fourth Gospel)
- **1 John**
- 2 John
- 3 John
- The Revelation of Jesus Christ

The gospel of John and John’s first epistle are two of the most recommended and read books in the entire Bible. In both works John references Jesus as “The “Word” who he attributes by nature as God, as the creator of all things, and as life. John is conspicuously direct about the nature of Jesus, our condition as sinners, and God’s plan for redemption. So when I was thinking about asking students to challenge themselves in reading this summer, I wanted to suggest what some of the greatest preachers of all time have urged people to read first, what many have urged them to read repeatedly until it becomes familiar, and what many suggest are the clearest messages of what it means to be a Christian. This made the short book of 1st John a great option to encourage students to read several times over the summer with a plan to come back in the fall and review the powerful truths in chapel and Bible classes. 6TH GRADE OUTDOOR SCHOOL

PRESCHOOL STILL ACCEPTING ENROLLMENT FOR FALL

Happy Summer everyone! We wrapped up a great year in preschool and graduated 26 precious kiddos off to Kindergarten! I want to thank our amazing parents for entrusting their children to us here at Inch by Inch Preschool and being so wonderfully supportive all year long! As we look towards next year,

we still have several openings for full and part time kids who will be 4 by Sept. 1st, 2023. Please let you friends and family know that we are still enrolling 4 year olds for next year! They can call the office or go to our website to schedule a tour or reach out to Preschool Director Krista Wolgamott at kwolgamott@eastlinnchristian.org for more information.

AN OPEN LETTER TO MY STUDENTS

Mr. Steve McGuyre

You all are my joy and delight. I have enjoyed teaching here at East Linn for some time now. I write this letter to say THANK YOU for the pleasure of teaching the best students around.

You have challenged me, encouraged me, prayed for me, and have been students that I can speak with pride about to others. THANK YOU for just being you and coming to class every day to learn and study the Bible. I have thoroughly enjoyed opening the Bible with you and gleaming the Truth of God's Word.

Remember Jesus Christ, crucified, and raised from the dead. These Truths are the foundation for the two most important spiritual truths I know: Jesus loves me (he gave Himself for me) and Jesus is at work in my life (those you love are the ones you give your life to).

I will remember you with fond affection, and for those of you still in school, I will make some appearances next school year. I love you dearly and I appreciate the opportunity to have been one of your teachers.

SENIOR TRIP: DISNEYLAND!

The seniors had a great time on their trip. They choose to spend the bulk of their time together as a large group and soaked up every minute of making memories to last a lifetime!
