Look who was in the [4-H Growing Publication](#). Senior LR Burns represented Oregon at the 4-H National Congress.

Oregon delegation touring Atlanta during 4-H National Congress.

4-H National Congress

Recently, LR Burns attended 4-H National Congress as an Oregon Delegate. To receive this honor, LR completed a detailed application and had superior 4-H records. He also went through multiple interviews during Summer Conference before he was chosen as one of Oregon's Delegates.

For more than 98 years, National 4-H Congress has been a premiere nation-wide opportunity for 4-H members across America. Originally held in Chicago, the event is now held in the "Capitol of the South," Atlanta, Georgia, during the Thanksgiving break. National 4-H Congress is a five-day event that engages high school aged 4-H members in leadership, citizenship, global awareness, and inclusion. Participants not only have the opportunity to participate in state-of-the-art educational workshops and hear from world-renowned speakers, they also have the opportunity to network with other 4-H members from across the United States.

LR had the opportunity to attend sessions on Agri-Science, Technology in Agriculture and Goal Setting. He said he didn't necessarily have a favorite class but was sure that what he learned will help him in 4-H, as well as his future career goals. According to LR the best experiences of the trip included meeting fellow 4-H members with similar interests and having the opportunity to tour Atlanta and participate in some community service.

"At Congress I learned to step out of my comfort zone and to meet new people whenever I can," he said.
